

# 230 gsm Dye Photo

## Satin – PMC230

### *Features*

- ▶ Ultra clear coating enabling no obscuring of the pigments, hence ultra vibrant colours
- ▶ Heavy weight, rigid sheet to enable ease of use when cold laminating
- ▶ Designed exclusively for optimum output with dye based inks
- ▶ Satin coating enhances colours with low glare
- ▶ PE double coated to ensure no cockling
- ▶ High white for sharp colour contrast

---
